## WRIGHTSVILLE BEACH

Wrightsville Beach is known for its crystal blue waters and white sand beach, surfing and SUN! Located only 10 minutes from UNCW, Wrightsville Beach was voted North Carolina's best beach while National Geographic named it a top surfing destination in the world. Wrightsville Beach is a lead attraction in Wilmington for nature lovers and water sports enthusiasts alike.

## UNCW IN SUMMER

### International Student Services

- Airport shuttle
- International student orientation
- Two cultural excursions per session
- Immigration advising
- Intensive English programs (additional fees)

## THE PORT CITY

Historic Wilmington offers visitors Southern hospitality with over 400 dining options, authentic Low-Country cuisine and architecture, and a nearly 3km boardwalk on the Cape Fear River. Nicknamed "Hollywood East," Wilmington is home to EUE-GEM studios, one of the largest Eastern film studios in the U.S. With over 150 annual festivals and average temperatures in summer from 25 to 35 degrees Celsius, it is a perfect summer destination.
