

Better Knowledge
Better Skills
Better Governance

Take over an executive function in an international environment!

- ▶ A unique learning experience at the University of Geneva in cooperation with the United Nations Office at Geneva
- ▶ A programme designed for graduates and professionals
- ▶ 8 modules | 3 days a week | internship, professional project or Master's thesis
- ▶ Programme to be achieved in 1 or 2 years
- ▶ Possibility to participate in individual modules

Objectives

- ▶ Provide a deep understanding of the political, economic, social and legal aspects of European and International Governance
- ▶ Acquire extended knowledge on the functioning of the United Nations, the EU institutions and the specialised organisations based in Geneva
- ▶ Develop competencies to take over executive functions in national, European or international careers

Principal Themes

The United Nations System | European Union and International Affairs | Human Rights and Migration | International Peace and Security | International Trade | Health and Environment | Sustainable Development Goals | Negotiation Skills

Duration

8 modules over 6 months | 3 days a week | followed by 3 months for either an internship, a professional project or a Master's thesis
