

# McMaster University

## 2023 Summer Programs

“Professors from a variety of fields provided a series of highly valuable lectures including informative discussions of latest technologies and trends in healthcare systems.”  
- clinical medicine major at Shanghai Jiao

## Summer English Program with eHealth Focus

This program is designed to provide participants with a strong foundation approaches to e-Health. The introduction to e-Health will include discussion of Health Research Methods, Health Policy, Health Economics, Public & Population Health, Health Informatics, Health Technology Assessment and Health Data Mining. Our in-person program begins with 2 weeks of intensive practice of English language skills for the health science context which prepares students to participate effectively in their e-Health lectures and activities.

### Program Features:

- Lectures by expert faculty from McMaster’s Faculty of Health Sciences and Faculty of Business
- Progress Report and Certificate of Graduation
- Highly qualified and experienced English language instructors
- Access to university facilities and services
- Visit to hospital, historical/recreational places
- Welcome / Farewell ceremonies

**Program Dates:** July 9 - August 6, 2023

**Program Fee:** \$4900.00 CAD

*fees include: tuition, accommodation, meal cards, airport pick-up and drop-off, access to university facilities and university health insurance*
