

REMOTE EUROPEAN STUDIES SUMMER SCHOOL

AUGUST 2–20, 2021

REMOTE EUROPEAN STUDIES PROGRAM

We are offering a profound introduction to the European Union. Beyond European history and the EU's institutions, we will discuss key aspects of the European Union: The Member States of the European Union; The EU in International Affairs; European Economic Affairs; The EU's Area of Freedom, Security and Justice. The program takes place as a remote online course combining daily self-study tasks with daily live seminar sessions with the lecturer. As in classroom-based teaching, you meet your lecturer and your fellow students in a virtual classroom via Zoom.

ACADEMIC HOSTS The Chair of Political Systems and European Integration at the LMU Munich, the Center for Applied Policy Research (CAP)

CONTENT combination of online live sessions and daily self-study tasks

- 30 online live sessions; daily online live sessions will take place via Zoom
- daily self-study tasks include course reading, quizzes, group work; seminar reading and tasks will be provided via LMU's learning platform

AIM OF THE COURSE To provide students a broad understanding on the historical development, the economic, societal, political and philosophical dimensions of the European integration project.
